

## TCR Group – Aviation Project Manager (JFK Pooling)

### Aviation Project Manager (JFK Pooling)

#### Lead the Launch of North America's First All-Electric GSE Pooling Operation

TCR Group is seeking a **Aviation Project Manager (JFK Pooling)** to spearhead the launch and daily operations of our groundbreaking electric Ground Support Equipment (GSE) pooling service at JFK's New Terminal One. This is a unique opportunity to lead a high-impact project from the ground up, driving innovation, sustainability, and operational excellence in aviation services.

#### What You'll Do

- **Project Leadership:** Oversee the full implementation of the JFK pooling operation—from planning to launch—ensuring milestones, risks, and stakeholder alignment are effectively managed.
- **Operational Management:** Build and optimize day-to-day processes, SOPs, and team structures to ensure safe, efficient, and scalable operations.
- **Stakeholder Engagement:** Serve as the key point of contact with terminal operators, ground handlers, and internal teams.
- **Team Management:** Lead a cross-functional team including workshop, coordination, and admin staff.
- **Fleet Oversight:** Manage a fully electric fleet with a focus on readiness, safety, and sustainability.
- **Financial and Commercial Accountability:** Support budgeting, KPI reporting, and operational cost control to meet service and financial goals.

#### About You

- Strong project management skills with experience launching or managing complex operations in aviation or logistics.
- Proven ability to lead teams, develop processes, and engage stakeholders.
- Background in airport services, ground handling, or related aviation operations.
- Tech-savvy with proficiency in MS Office and resource planning systems.
- Bachelor's degree or equivalent operational experience.
- Able to work on-site and respond to urgent operational issues as needed.

#### ♥ Why You'll Love Working with Us:

**Be Part of a Thriving International Team:** Join a successful, growing company where you'll be valued and empowered to make an impact.

**Quick Decision-Making and People-First Culture:** Work in a company that prioritizes its people and supports

fast, effective decisions.
