

TCR Group - Body Builder Apprenticeship - Sydney Airport

We are hiring Workshop

FA

TCR has a brand new position available in Sydney: Body Builder Apprentice!

This is a unique opportunity for a driven and enthusiastic Body Builder Apprentice to work for the biggest Ground Support Equipment company in Australia, learn from the best in the business, and gain experience in the exciting Aviation Industry.

This is a permanent, full-time opportunity in a fast-growing Sydney team with a fantastic culture and a supportive and collaborative environment.

- Sydney-based hands-on apprenticeship; learn from some of the best GSE experts in Australia
- Get paid while studying
- Global organization in the Aviation Industry

As a Technician Apprentice at TCR, you will:

- Have full support throughout the 4 years of the job practical training. We pay you to learn.
- Have the opportunity to travel across sites for specific equipment training needs.
- Bring your passion and commitment to learning and perfecting your craft.
- Receive full support from a collaborative environment.
- Receive external mentoring and access endless career-growth opportunities within a successful global organization.

- Have your TAFE course fully covered - Certificate III in Automotive Mechanic
- Get paid while studying.
- Have your uniform provided and laundered.
- Earn above apprenticeship award wages.

To be successful, you will:

- Have a driven and proactive mindset.
- Be naturally curious towards learning, and have a can-do attitude.
- Align with TCR core values of Integrity, Passion, Responsibility and Open-mindedness.
- Possess a valid driver's license.
- Have the willingness to undertake ASIC background checks for airport security access – that includes a 10 year background check.
- Have the willingness to undertake a pre-employment medical check that includes a drug & alcohol test.

About us:

TCR Group's global presence spans across 200 airports and 300+ airlines, reaching five continents and 30 countries. With a network of over 80 workshops and a dedicated team of 1,500+ employees worldwide, we are committed to delivering excellence on a truly international scale.

For a quarter of a century, the TCR Group has been a global leader, specializing in Ground Support Equipment Maintenance, Rental, and Fleet Management services. We proudly serve Ground Handlers, Airlines, and Airports worldwide, delivering top-tier solutions that keep the aviation industry moving smoothly.

This is a fantastic opportunity for a driven apprentice to learn the Automotive Mechanic's craft from an incredible leadership team, in an inspiring and supportive environment.

We look forward to receiving your application.
