

## TCR Group – Revenue and Business Performance Analyst (FTC 18 Months)

*We are hiring*

### Revenue and Business Performance Analyst

**Location:** Heathrow

**Division:** Business Performance / Finance

**Reporting To:** Business Performance Manager

#### The Opportunity:

We are looking for a commercially minded Revenue and Business Performance Analyst to join our Finance team at Heathrow. This role focuses on financial and operational performance—not IT, coding, or systems development. You'll provide critical insights using Excel and Power BI, ensuring data-driven decisions that support cost control, revenue accuracy, and overall business improvement.

#### Key Responsibilities:

- Oversee and validate rental revenue data, ensuring accurate invoicing and contract updates.
- Build and maintain operational dashboards using Power BI and Excel.
- Conduct detailed financial and commercial analysis to inform strategic decisions.
- Collaborate with Finance, Operations, and Commercial teams to deliver actionable insights.
- Produce customer and internal reports with a clear focus on business value.

#### What We Are Looking For:

- Strong Excel skills (pivot tables, formulas, lookups essential).
- Proficiency in Power BI for visualising and interpreting data.
- Minimum 3 years of experience in finance, commercial, or business analysis.
- Background in performance monitoring, business reporting, or cost control.
- Please note: This is not an IT role and does not involve software development, database engineering, or system support.

#### ♥ Why Join Us?

- Competitive salary and benefits package.
- Play a key role in performance transformation at one of the UK's busiest transport hubs.
- Develop your career in a high-impact, insight-driven team.

#### About Us:

TMS/TCR delivers leading-edge recovery, transport, and operational services across the UK. With a strong focus on safety, compliance, and client satisfaction, we are committed to excellence in everything we do.
