

## TCR Group – GSE Technician - Luton

### GSE Technician – Luton

#### The Opportunity

We are offering an exciting opportunity for a GSE Technician to join TCR UK Ltd, a global leader in Ground Support Equipment (GSE) solutions. This role is ideal for an experienced technician with a strong understanding of vehicle maintenance, looking to develop their skills in a hands-on, fast-paced environment. You will be responsible for repairs and maintenance of TCR vehicles to the required standard, while adhering to safety regulations and company procedures.

#### Working Hours

- 4 on 4 off shift pattern, 0530 to 1730

#### Key Responsibilities

You'll be responsible for ensuring the efficient repair and maintenance of GSE vehicles and equipment. Key duties will include:

- Repair vehicles and plants as requested by the Workshop Supervisor.
- Conduct inspections, brake tests, and smoke tests, reporting defects before repairs.
- Diagnose and inform the Workshop Supervisor of required work and parts before commencing.
- Complete job cards and inspection sheets accurately, handing them to the Workshop Supervisor at the end of each shift.
- Maintain accurate records of parts used, and liaise with the Workshop Supervisor about any additional work or parts required.
- Ensure all parts are labelled correctly and stored on appropriate shelves (warranty/exchange units).
- Adhere to health and safety regulations, reporting defective tools and items immediately.
- Quarantine and label any defective equipment.

#### What We Are Looking For

We are seeking a motivated and experienced individual with:

- Motor mechanics knowledge, ideally within the LGV sector.
- Experience working in an operational vehicle or logistical environment.
- Experience in a customer-focused role, particularly in vehicle maintenance.
- A strong understanding of health and safety regulations.
- Good communication, organisational, and numerical skills.
- A customer-oriented, service delivery focus.

#### Qualifications

- LGV Level 3 or equivalent in Motor Mechanics.
- Forklift licence (desirable).
- A good level of general education.

#### ♥ Why You'll Love Working With Us

- Join a global leader in GSE solutions, offering a supportive environment with opportunities for career progression.
- Competitive salary and benefits, with a focus on professional development and team collaboration.

#### About Us

TCR UK Ltd is a leading provider of integrated Ground Support Equipment (GSE) solutions, recognised for our innovation and commitment to excellence in the aviation industry.
