

TCR Group – HGV Technician - Bristol

Ramp Technician

The Opportunity

Join our team as a **Ramp Technician**, where you will be responsible for carrying out cost-effective repairs and maintenance tasks on a wide range of vehicles and equipment. Reporting to the Duty Manager, you will ensure high standards of safety, efficiency, and compliance with company policies and Health & Safety requirements. This role requires strong mechanical skills, attention to detail, and a proactive approach to problem-solving.

Key Responsibilities

- Perform scheduled and unscheduled maintenance tasks on customer vehicles and equipment in line with Health & Safety guidelines.
- Respond to breakdowns within designated timeframes.
- Complete all relevant service sheets, job cards, and electronic records accurately.
- Provide job status updates and liaise with Workshop Office colleagues.
- Comply with all Health & Safety legislation and company procedures, including the use of PPE.
- Maintain cleanliness and organisation in the workshop and customer locations.
- Ensure company vehicles are used in line with legal and company policies.
- Undertake vehicle manoeuvring around the workshop or airport where trained and licensed.
- Report accidents, near misses, and potential hazards through appropriate channels.
- Support continuous improvement initiatives and promote safety in the workplace.
- Undertake other reasonable duties to support operational requirements.

What We Are Looking For

Skills, Experience & Behaviours

- Previous experience in a similar role working with GSE, plant vehicles, or heavy equipment (desirable).
- Strong understanding of mechanical, hydraulic, and electrical systems.
- Good knowledge of Health & Safety regulations.
- Customer-oriented with strong service delivery focus.
- A valid UK manual driving licence.
- Eligibility to obtain an airside pass and driving permit.

Desirable Experience & Qualifications

- Experience in the motor or airport industry.
- Exposure to ground support equipment, HGV, or plant equipment.
- Forklift licence, HGV/PSV licence, or vehicle hydraulics/electrics knowledge.

- Nationally recognised automotive apprenticeship in vehicle repair or technology.
- NVQ, City & Guilds, BTEC, or equivalent in motor vehicle servicing and repair. Minimum Level 3 qualified.

♥ Why You Will Love Working With Us

- Competitive salary and benefits package.
- Career development opportunities in a growing company.
- A dynamic, team-focused work environment that values safety and continuous improvement.

♥ What We Offer

- 6% employer pension contribution.
- 3x salary Life Assurance.
- Private Medical coverage.
- Employee Assistance Programme (EAP).

About Us

TCR is a leading provider of vehicle maintenance solutions, committed to excellence in safety, reliability, and customer service. We prioritise passion, integrity, accountability, and open-mindedness in everything we do.
