

TCR Group – Purchasing Coordinator (Taylor, MI)

Purchasing Coordinator

Purchasing Coordinator (Taylor, MI)

The Opportunity

Are you excited about the opportunity to shape and optimize procurement processes for a rapidly growing company? TCR North America is expanding fast, and we're looking for a skilled and motivated **Purchasing Coordinator** to join our Detroit team. In this role, you'll be a key player in driving efficient purchasing operations, working with vendors, and ensuring the seamless flow of goods across North America. If you're ready to make an impact, work cross-functionally, and thrive in a dynamic environment, this is the role for you!

A snapshot of what you will be doing here:

Procurement Process Management:

- Lead the entire purchasing workflow, from order generation to inventory management and invoicing.
- Convert requisitions from workshops across North America into purchase orders, ensuring accuracy and timeliness.
- Oversee the complete procurement cycle, including reconciling purchase orders and invoices to ensure accuracy and compliance.
- Coordinate with vendors to secure timely product deliveries and maintain comprehensive records of orders, pricing, and invoicing.

Vendor Management:

- Communicate with vendors to obtain quotes, negotiate purchasing terms, and secure cost-effective solutions.
- Support the Purchasing Supervisor in identifying and researching new vendors that align with our procurement strategies.
- Troubleshoot and resolve issues related to delivery delays, pricing discrepancies, or product quality to maintain smooth operations.

Inventory and Documentation:

- Collaborate with the Purchasing Supervisor to maintain optimal inventory levels and support timely restocking of critical materials.
- Assist with cycle counts and ensure accurate inventory records to keep our supply chain running efficiently.

Cross-Functional Collaboration:

- Work closely with Finance, Scheduling, and Operations teams to align procurement activities with overall business goals.
- Help resolve payment discrepancies and ensure timely processing of payments.
- Assist in maintaining and updating knowledge of procurement systems, such as SAP, to optimize workflow.

Your week might look like:

- Monday: Review requisitions, create orders, and follow up with vendors.
- Tuesday: Reconcile orders with invoices, resolve issues, and assist with vendor sourcing.
- Wednesday: Conduct inventory counts, track deliveries, and update systems.
- Thursday: Manage vendor relations, negotiate pricing, and align with operations.
- Friday: Finalize orders, resolve payments, and plan for the next week.

We are looking for an individual who:

- 2+ years of purchasing/procurement experience, ideally in the maintenance industry.
- Strong analytical and project management skills.
- Proactive, data-driven mindset with a strong sense of urgency and attention to detail.
- Ability to meet deadlines and resolve issues quickly.
- Independent decision-maker with sound judgment in supply chain scenarios.
- Proven track record in process improvement.
- Strong organizational skills and ability to manage multiple tasks simultaneously.
- Fluent in English, both spoken and written; SAP and Microsoft Office proficiency preferred

♥ We think you will love working with us:

- Part of a solid and growing international group.
- A company with short decision lines where our employees are central to the success of the company.
- An environment where you can develop and grow.
- A competitive salary, based on experience.
- Comprehensive employee benefits:
- Health Benefits (Medical, Dental, Vision, STD/LTD, Life)
- Generous Vacation + Sick Time + 401K w/match
- UNLIMITED REFERRAL BONUSES
