### Purchasing Supervisor

#### Purchasing Supervisor (Taylor, MI)

##### The Opportunity

TCR North America is growing fast, and we're looking for a skilled and motivated **Purchasing Supervisor** to join our Detroit team. This key role involves managing supplier relationships, leading procurement activities, and optimizing a multi-million-dollar spare parts budget.

We are seeking an individual with strong leadership skills, expertise in the automotive or Ground Support Equipment (GSE) sectors, and a dedication to customer satisfaction. In this role, you will be responsible for shaping and implementing our parts strategy, ensuring a steady supply of high-quality parts that fulfill both customer and operational requirements.

##### A snapshot of what you will be doing here:

- **Strategic Planning & Inventory:** Develop and implement strategies to optimize spare parts inventory. Analyze market trends, and manage procurement, storage, and distribution to maintain optimal stock levels.
- **Team Leadership:** Lead, mentor, and develop a team of spare parts specialists, fostering a collaborative and high-performance culture.
- **Supplier Management:** Build and maintain strong relationships with suppliers and manufacturers. Negotiate contracts to secure competitive pricing and high quality.
- **Customer Service:** Ensure timely and accurate fulfilment of orders. Serve as the main escalation point for queries, ensuring prompt resolution.
- **Financial Management:** Oversee budgets, manage costs, and analyze sales data to identify opportunities for growth. Take charge of a multi-million-dollar budget for parts.
- **Process Improvement:** Implement best practices in inventory and logistics. Drive process improvement projects and leverage technology for efficiency gains.
- **Compliance & Quality:** Ensure compliance with industry standards and regulations. Uphold quality control measures and product integrity.
- **Health & Safety:** Act responsibly to prevent injuries, adhere to safety regulations, use safety equipment appropriately, report incidents, and promote health and safety initiatives.

##### We are looking for an individual who:

- **Experience:** Minimum of 5 years in spare parts management or related roles, preferably within the automotive or GSE industries.
- **Skills:** Strong leadership and team management skills, excellent analytical, problem-solving, and negotiation abilities. Proficient in inventory management software (SAP preferred).

- **Education:** Bachelor's degree in business, Supply Chain Management, or a related field is preferred.
- **Personal Attributes:** A confident communicator at all levels, a team player with a proactive mindset, adaptable, and willing to travel as needed.

#### ♥ Why You'll Love Working with Us:

- **Be Part of a Thriving International Team:** Join a successful, growing company where you'll be valued and empowered to make an impact.
- **Quick Decision-Making and People-First Culture:** Work in a company that prioritizes its people and supports fast, effective decisions.
- **Growth-Focused Environment:** Enjoy opportunities for professional development and career advancement.
- **Competitive Salary and Benefits:** We offer a competitive salary based on experience.
- **Our Comprehensive Benefits Include:**
  - Health, Dental, Vision, STD/LTD, and Life Insurance
  - Generous Vacation and Sick Leave, plus a 401K with matching contributions
  - UNLIMITED REFERRAL BONUSES – because we know great people know great people!
