

TCR Group – GSE Technician - Liverpool

Vehicle Maintenance Technician

Location: Liverpool

Salary: Competitive

Hours: Full-time – Monday to Friday, 6:30am to 3:00pm

The Opportunity

TMS/TCR is seeking a skilled **Vehicle Maintenance Technician** to perform repairs and maintenance on our vehicle fleet to a high standard. This role is crucial to ensuring operational reliability, compliance with safety regulations, and adherence to ISO standards.

Key Responsibilities

- Undertake repairs and routine maintenance on TCR and associated vehicles
- Perform inspections, brake/smoke tests, and confirm defects with the Operations Manager
- Record job progress via SAP and complete end-of-day updates
- Diagnose faults and report work/parts needed before starting repairs
- Ensure accurate parts management and correct labelling for warranty/exchange units
- Notify the Operations Manager of urgent VOR parts and job completions
- Maintain clear, concise job card and SAP entries with accurate time tracking
- Quarantine and report defective tools or equipment immediately
- Submit daily manual time sheets and log all non-productive hours correctly

Outcome, Results & KPIs

- High-quality repair and maintenance standards
- Accurate time tracking and SAP updates
- Low levels of sickness and absence
- Proper use of workshop systems and safety protocols

Health & Safety

- Adhere to all safety rules and use correct PPE at all times
- Report all accidents, hazards, and unsafe practices immediately
- Support the company's continuous safety improvements

ISO Compliance

- Follow all procedures under ISO9001, ISO14001 and OHSAS18001 frameworks
- Maintain compliance with waste segregation and documentation standards
- Ensure all work is aligned with internal management systems (IMS)

Key Relationships

- Operations Manager
- Service Controller
- Technician Team
- Management and Customers

What We Are Looking For

- City & Guilds or equivalent in Motor Mechanics (essential)
- Experience in vehicle maintenance and customer-focused environments
- Understanding of H&S regulations and workshop best practices

- Analytical with good communication and organisational skills

Desirable Experience & Qualifications

- LGV Class 2 Licence
- Forklift Licence
- Operational vehicle or logistics background

Behavioural Capabilities

- Strong team player with a proactive, professional approach
- Capable of managing tasks independently and resolving issues efficiently
- Flexible, adaptable, and solution-focused

About Us

TMS/TCR provides innovative recovery, transport, and maintenance services across the UK. We pride ourselves on safety, compliance, and customer satisfaction.
