

TCR Group – Vehicle Washer

Vehicle Washer / Workshop Cleaner

The Opportunity

Join our team at London Heathrow as a Workshop Cleaner/Vehicle Washer. This role is essential in maintaining the cleanliness of our workshop and vehicles, ensuring smooth operations. We seek a detail-oriented individual with a proactive attitude and commitment to health and safety.

What you will be doing

- Vehicle Cleaning
- Steam clean and detail vehicle interiors
- Clean inside of vehicles and ensure vehicle cleaning supplies are ordered when required

Workshop and Yard Maintenance

- Maintain cleanliness of the workshop and yard
- Dispose of waste following company policies

Health and Safety Compliance

- Follow all safety rules and use protective equipment
- Report accidents, near misses, and hazards to the Supervisor

ISO Compliance

- Adhere to company policies and ISO standards
- Ensure proper waste segregation for ISO14001 compliance

We are looking for someone who

- Understands workshop tasks and health and safety regulations
- Is service-oriented with experience in a similar role
- Holds a UK driving license
- Is a team player with a proactive, flexible attitude

Behavioural Capabilities:

- Ability to deal effectively with people at different levels
- Good team player, willing to listen
- Have a 'Can Do' attitude and a proactive approach
- Flexible and adaptable

♥ Why you will love working with us

- Supportive and friendly work environment
- Competitive pay, health cash plan, and pension contributions
- Team activities and a positive workplace culture

About us

At TCR UK Ltd, we maintain high standards of cleanliness and efficiency. Our team ensures our workshop and vehicles reflect our commitment to quality and customer satisfaction.
